

253/14	<p><b>Planning</b></p> <p><b>a.14/04582/FUL Concrete Batching Plant</b> – it was <b>Resolved</b> that council recommend <b>refusal</b> of this application due to safety issues with regard to the traffic impact on the B3153 remaining unresolved.</p> <p>The B3153 as it passes through Clanville, is unsuitable for increased use by large/ heavy vehicles as it is a road with bends and narrow points where two HGV's cannot pass each other without damage to verges and property.</p> <p>There are already existing safety concerns for householders, pedestrians and other road users in this area which have the potential to be greatly increased by the impact of this application if approved.</p> <p>Concerns were also raised by the parish council with regard to potential air borne pollution impacts.</p> <p><b>b.Priddle Hill Farm – update</b></p> <p>Currently on a 28 day halt. Concerns have been raised with regard to: Increased traffic, landscape damage, pollution, lack of an environmental impact assessment for the local community. Clerk was requested to advise the Somerset planning department that Ansford Parish Council agreed with these concerns.</p>	Clerk  Clerk
